Thanks for the additional reading material.

I'll try to help with your FOIA request as best I can. I need the RIN # assigned to your FOIA request - it should be on the acknowledgement letter you received. I'd like to contact you tomorrow with the manager from the Superfund Division Information Management section to determine exactly what EPA files and information you'd like to review in the Dallas office on Nov 8. What is the best time for us to contact you?

Thank you,
Casey
